TO WHOM IT MAY CONCERN

It gives me great pleasure to welcome students of Trinity Medical College to St. Vincent and the Grenadines.

Our Country is reputed to have trained some of the best doctors who now hold top positions in Hospitals and Medical Schools in the United States of America.

It is my hope that the students of Trinity will work hard to maintain this tradition of excellence and would become examples to any one who wish to pursue a career in Medicine.

Sir Frederick N. Ballantyne, G.C.M.G., MD
